

THE BUILD BULLETIN

Crowton, Kingsley and Norley

Network completion

Since the last bulletin, our team has been busy completing the final pieces of your full fibre network. With Crowton Village's network now finished, there are only three small pockets of network build left to complete in Kingsley and Norley. These pockets are nearby Nursery Park, Roddy Lane and Flaxmere.

We're currently working to progress permissions which will enable us to get these works finalised. Once we've attained the relevant permissions, the remaining works will be completed within 2-3 weeks.

In May we were able to release more properties on to the network. This has allowed us to book even more installation appointments. Over 130 premises are now experiencing the Fusion Fibre Group difference, with this number growing each week. We are glad to be receiving positive feedback from residents connected throughout each village.

It's not too late to sign-up! When you're ready to futureproof your home or business with full fibre broadband, please get in touch with our sales team on 0333 305 7560 or call your Regional Sales Manager Ian on 07761 800 188.

Alternatively, you can sign up independently online via <https://fusionfibregroup.co.uk/coverage-postcode-checker/> Stuck in a contract? Not to worry. Chat to our team about Fusion Connect.

Remaining works for Kingsley and Norley

Dependency	Streets associated	Forecasted time until your installation appointment can be booked in
Network building, splicing, and testing.	Ainsworth Lane Breech Moss Breech Moss Lane Chamber Brook Lane Chapel Avenue Chapel Lane Crabmill Lane Delamere Road Flaxmere Hamblett's Hollow High Street Highbank Road Norley Road Pike Lane Poplar Vale Post Office Lane Pytchleys Hollow Roddy Lane School Lane The Hurst West View Road	2-4 weeks (dependant on progression of relevant permissions).

All other premises are now ready for service! If you've got a signed contract and are yet to be installed or booked-in, we will be in the process of surveying your lead-in. The team will be in contact in the coming weeks. Please stand by as our installation teamwork through the list of appointments.
