

THE BUILD BULLETIN

Rothbury

In May, the network build re-commenced in Rothbury as contractors returned to site to span cable in Whitton Village. This week we'll be building, testing and splicing in areas which aren't held up by dependencies.

Following this, we will release more properties onto the live network! The next area which will go live includes some properties on:

STREET	POSTCODE
JUBILEE CRESCENT	NE65 7QZ
GARLEIGH ROAD	NE65 7RG
GARLEIGH ROAD	NE65 7PN
COQUET VIEW	NE65 7RZ
ROTHBURY	NE65 7QL
WAGTAIL ROAD	NE65 7PQ
GARLEIGH ROAD	NE65 7RB
TOLLGATE CRESCENT	NE65 7RE
TOLLGATE ROAD	NE65 7RD

If you've got a signed contract in this area, the team will be in contact in the coming weeks once they receive the green light. Please stand by as our installation team work through the list of appointments. Rothbury installations will be prioritised when connections become available.

As mentioned previously, it is taking longer than we first predicted to complete Rothbury's full fibre network. We would like to re-iterate our gratitude for your patience during this time. We will fulfil our commitment to completing Rothbury's full fibre network and will continue to work as efficiently as possible to do so.

If you're interested in a connection, please get in touch with our Regional Sales Manager, Ian Finlay on 07761 800 188 to discuss our latest promotion. Alternatively, you can sign-up online using our new postcode checker: <https://fusionfibregroup.co.uk/coverage-postcode-checker/>
