

# THE BUILD BULLETIN

## STOCKSFIELD AND MICKLEY

Did you know that over 1,200 Stocksfield and Mickley premises now have access to full fibre broadband? To celebrate we're hosting a community event at the Stocksfield Community Centre.

All are welcome to join Gary and the team, on 11 September. Our sales and build team will be there from 1:00pm to 7:00pm to answer any questions you may have about the new fibre network.

If you can't make the event, please get in touch with Ian if there's any questions you have. He is more than happy to offer obligation free advice about your broadband or landline usage. Call 0191 406 7154 or 07761 800188. Alternatively, you can sign up in just a few minutes by using our online postcode checker:<https://fusionfibregroup.co.uk/coverage-postcode-checker/>

We appreciate the community's patience as we work to finalise the network build which coming to the final stages! It has undoubtedly taken us longer than we first envisioned, however, we are proud of the product that is being produced. Our team will continue to work diligently until the network is complete.
